October 14, 2025

Dear Parents,

I am thrilled to announce the installation of our new playground has finally arrived. Effective, today, October 14, 2025, at 5:00 pm the playground will not be accessible for play. The track is still available for the community. We ask that we all do our part to ensure safety and space for everyone to enjoy the limited space we have for the next ten weeks.

I promise the wait will be worth it! We will have an inclusive playground that was initiated by students speaking up to City Council Representative Rita Joseph during last year's Legislative Breakfast. I would like to thank you in advance for your cooperation and support.

Sincerely,

Robert E. Bonilla
